This sheet inspected, Engineer.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source.

The State reserves the right to regulate the use of the waters herein granted at any and all times. It is distinctly understood that the applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.025 cubic feet per second.

Actual construction work shall begin on or before April 9, 1921

Proof of commencement of work shall be filed before May 9, 1921

Work must be prosecuted with reasonable diligence and be completed on or before April 9, 1922

Proof of completion of work shall be filed before May 9, 1922

Application of water to beneficial use shall be made on or before April 9, 1923

Proof of the application of water to beneficial use must be filed with State Engineer on or before May 9, 1923

WITNESS MY HAND AND SEAL this 9th day of December, 1920

Cancelled 1-10-1923 because of failure of applicant to comply with provisions of permit

[Signature] State Engineer
